

Administrative Procedure 262

STUDENT EXCHANGES

Background

The District is supportive of schools entering into interprovincial and international student exchanges.

Procedures

1. Requests for financial assistance in support of interprovincial and international student exchange programs may be considered within available budgets.
2. Such assistance shall be limited to offsetting expenses incurred relative to:
 - 2.1 Local sightseeing costs;
 - 2.2 A dinner for the participating students with trustee and/or District official representation;
 - 2.3 Necessary substitute teacher costs during the visit in District.
3. Request for financial assistance must be submitted by the Principal to the Superintendent or designate at least two (2) months in advance.
