Dear Parent Advisory Councils,

Re: Trustee Liaison Areas

We are pleased to update our Trustee Liaison appointments after the recent election. Trustees enjoy getting to know each school community through visits to Parent Advisory Councils, and attendance at special events. Attached is the listing of Trustee Liaison schools for 2015.

As per Board Policy #3, although the primary task of each Trustee is to serve as a member of the Board of Education overseeing the operation of the school district, one of the specific responsibilities of individual trustees is to act as a liaison to assigned schools for the following purposes:

1. to provide increased opportunity for Trustees to become more knowledgeable about the District's schools;
2. to act on behalf of the Board when a Board representative is desired at school functions; and,
3. to provide opportunity for increased communication between Trustees and residents of the community.

You may be contacted by the liaison Trustee for your school, either verbally or in writing, to discuss appropriate protocol for them to attend Parent Advisory Council (PAC) sponsored activities. I would also encourage you to invite more than one or all Trustees to PAC events and activities as you see appropriate, and/or in any instance when your liaison Trustee is unavailable to attend. Contact information for Trustees is available on the District website at:
