APPLICATION FORM – 2017/2018
LATE French Immersion (for Grade 6 intake)
*THIS IS **NOT** A REGISTRATION FORM*

This is an application form for parents who wish to enroll their child in the Late French Immersion Program, a program designed for students who have never been in a French program, other than Core French. Please indicate below whether or not your child has attended a French program in the past.

Even if you have a child already in the French Immersion Program, you must still complete and submit an application form before the deadline. The information on this form will be used to assign students to Chalmers Elementary School for students living in North Delta and to Cliff Drive Elementary School for students living in South Delta, and to select students, should the number of applications received exceed space available.

Late French Immersion is available to a child eligible for Grade 6 in September of the year of application. You will be notified by the school of the status of your application during the week following the application deadline. Successful applicants will be informed how the registration process will proceed.

Please read the **Letter to Parents: French Immersion** prior to submitting an application form.
