DELTA CONTINUING EDUCATION FULL CREDIT SUMMER SCHOOL 2020

Students have an opportunity to complete a secondary course during the summer. This is ideal for those who wish to complete graduation requirements, upgrade a course mark, or lighten next year's academic load.

Given the current COVID 19 environment, please know that we will be offering **ALL summer courses remotely**. This course delivery platform may change as new information comes to us from the Provincial Health Officer in conjunction with the Ministry of Education.

PREREQUISITES: Students enrolled in secondary school will need Counsellor approval to ensure prerequisites are in place. Grade 12 students that have not graduated and Adult students that have not graduated are eligible to take Full Credit courses.

NOTE: Full Credit summer school courses are fast paced and intensive due to the short duration of the course. Students must be able to work independently, be disciplined, and complete assigned homework which supports remote classroom instruction.

***** All changes and drops are subject to a \$40 change fee.**
