## **Delta Continuing Education INFORMATION PACKAGE**

## **UPDATED INFORMATION DURING THE CoVid19 HEALTH CRISIS**

---

Since the onset of the CoVid19, requirements for physical distancing have been required. As a result, the Early Childhood Education program at Delta Continuing Education has suspended all in person classroom instruction, practicums, information sessions and in person writing of English Assessment tests until further notice. This package details the information shared at each information session.

### **INSTRUCTIONAL TECHNIQUES**

The Delta Continuing Education (DCE) Early Childhood Education (ECE) program is designed for in-person, in-class instruction along with in-person, on-site evaluated practicums. In response to the COVID-19 pandemic, the B.C. Ministry of Education suspended all in-class instruction in schools and this, along with other public health requirements, directly affected how courses have been taught in the Delta Early Childhood Education program during the pandemic.

When regular circumstances resume, in-class instruction and on-site practicums will also resume. Delta School District classrooms and other facilities are cleaned regularly and high-contact points are sanitized. When required, arrangements will be made to facilitate physical distancing or other safety precautions.

In regards to future classes, recommendations from provincial and federal authorities can require changes on short notice and Delta ECE will respond accordingly. **If restrictions prevent in-class instruction**, classes will be taught through a combination of distributed learning, on-line and distance education techniques. Practicums will be postponed until safe settings in which to complete them can be confirmed. ***To be prepared, ECE students should have home access to a computer or device capable of video-conferencing and to reliable, high-speed internet.***

Successful English assessment is still a requirement for acceptance into the ECE program. Those interested in applying to the program will write the test at home with an understanding that the person whose name will be on the application form will be the person writing the English assessment test. Further details on the English Assessment test will be shared when a confirmed time has been booked. The Coordinator has the ability to remove any student whose progress in the program is hindered by inadequate English skills.

## Welcome to the Delta Continuing Education Information Session for the Basic Early Childhood Education (ECE) Program!

"A journey awaits you. It is one filled with possibility and meaning. It will call you to come to know who you are and where you are going. At times you will need to share this pathway, whereas at others, you will travel alone."  
Karen Whelan, 1999.

Taking part in a program like this is a definite commitment on your part. Issues such as time, practicum expectations, finances for supply and tuition fees, and dedication to the field of early childhood education are important considerations now that you have made the decision to be involved in the program.

### MISSION STATEMENT

The Delta Continuing Education Early Childhood program empowers students to contribute their personal best to society as they become tomorrow's Early Childhood Educators. Our *mission* is to provide a high-quality, comprehensive, and meaningful education for students.

### VALUE STATEMENT

***What kind of world do you want to live in?  
What kind of people do we want to be?***

The Delta Continuing Education Early Childhood program strives to achieve its mission through the following core values: "Caring, Respect, Responsibility, Community, and Excellence." These values impact our commitment to our instructors, our students and the community we serve.

### PHILOSOPHY STATEMENT

Our philosophy, based on current research and practises, supports the creation of rich, joyful early childhood spaces where children, adults, ideas and materials come together, and where knowledge is constructed about learning and living in ways that are local, inclusive ethical and democratic (BC Early Learning Framework, p.11).

We believe children learn best when they feel safe and secure. Early Childhood Educators create strong respectful relationships which support learning; these relationships are key to children becoming confident, capable and caring citizens.

#### ***The Delta Continuing Education Early Childhood program believes:***

- all students want to be successful and be the best they can be.
- the use of the **BC Early Learning Framework (BCELF)** supports current practice in the ECE sector.
- Learning and being as a holistic process that happens as children and adults come together in relationship with each other, ideas, materials, places and histories (BC Elf, 2019, pg. 4).
- creating a sense of community is key in building strong relationships and a strong sense of belonging.
- that upon successful completion of the program, students will have acquired the competencies, knowledge and skills that an Early Childhood Educator requires to be successful in the field.

***I've learned that people will forget what you said, people will forget what you did,  
but people will never forget how you made them feel – Maya Angelou***

## General Information about Delta Continuing Education and ECE

The Early Childhood Education (ECE) with Delta Continuing Education provides educational training for adults entering the field or ECE. The Basic ECE program focuses on children ages 3 – 5 year. The Post Basic program focuses on working with infants and toddlers and children with special needs.

- ✓ Delta Continuing Education has been teaching Early Childhood Education (ECE) since 1969.
- ✓ Delta Continuing Education is approved by the *Early Childhood Registry of the BC Ministry for Children & Families* as an educational training institution and fulfills ALL *provincial requirements for certification in the ECE sector*.
- ✓ The ECE programs are part time programs (evenings and Saturdays), which with students' work and family schedules.
- ✓ The ECE programs provide quality instruction, based on current research and practice.
- ✓ The ECE programs have affordable fees and students are eligible to apply for the ECEBC Bursary program ([www.ecebc.ca/programs/student\\_bursary.html](http://www.ecebc.ca/programs/student_bursary.html))

## DCE ECE and BC Early Learning Framework

The DCE ECE program uses the British Columbia Early Learning Framework (BCELF) as a core document to support current practice. The Early Learning Framework is an invitation to re-envision early care and learning spaces, education systems and society. It is intended to promote dialogue and understanding of childhood, knowledge, education, and learning. This framework carries the hope of inspiring and supporting the creation of rich, joyful early childhood spaces where children, adults, ideas, and materials come together, and we where knowledge is constructed about learning and living in ways that are local, inclusive, ethical and democratic (p. 11).

This booklet contains some of the policies of the Delta Early Childhood Education program. Taking part in a program like this is a **definite commitment** on your part. Issues such as time, Assignment expectations, finances for supply and tuition fees, and dedication to the field of early childhood education are important considerations as you make the decision to be involved in the program. If you feel you are unclear about any of the details, which may help you make your decision about being involved in this program, please ask for such information prior to the start of courses. We want your decision to be an informed and comfortable one.

The Delta Continuing Education ECE Program Coordinator and instructors will provide ongoing support and encouragement as you endeavour to balance the demands of school with your personal and professional commitments.

## CAREER OPPORTUNITIES

The first years of a child's education are among the most important; during this time educators can have a profound impact on a child's success in development. There is an increasing demand for qualified Early Childhood Educators to work with young children in licensed child care facilities. Graduates of the program may find employment opportunities in a variety of child care settings such as daycares and pre-schools, Strong Start centres, Supported Child Care Consultants and child care resource and referral programs. **Employment opportunities in the field increase with further training and work experience.**

## EARLY CHILDHOOD EDUCATION CERTIFICATE

A certificate is required in order to work in a licensed child care program in BC. Listed on the following pages are the courses you will be required to take to complete the Basic ECE program with Delta Continuing Education. After you have successfully completed all the courses, including three (3) practicums, you will be granted a certificate of completion and an official transcript from Delta Continuing Education. You will then be eligible to apply for your Early Childhood Education certificate.

For further information and complete details on certification and/or to apply for a certificate to practice please contact the Early Childhood Registry of BC:

## RENEWALS

According to BC law, renewal of registration is required every five years for each certificate an individual holds. For complete details on renewal of registration, refer to the booklet, The Early Childhood Educator in British Columbia, A Guide to Registration and Renewal Procedures, Ministry of Children and Family Development or refer to the ECE Registry website at <http://www.mcf.gov.bc.ca/childcare/ece/index.htm>.

## REQUEST FOR REVIEW OF ASSESSMENT

Applicants who feel that their prior education/training, outside of BC and/or internationally, may exempt them from some or all courses may request assessment of their credentials ***directly from the Ministry***. Delta Continuing Education does not assess previous education/training but will review assessments from the Ministry.

Again a **review of these assessments does not guarantee acceptance into the program nor does it guarantee transfer equivalency credits.**

Please contact, the **Ministry of Children and Family Development** at:

## TRANSFERABILITY

Courses taken from any BC ECE educational institutions which are part of the BC Transfer System may be accepted for transfer equivalency credit. Students wanting their courses reviewed must first apply to the Delta Continuing Education ECE program along with an official transcript and course outlines for all ECE courses they have successfully completed. If the student is accepted into the ECE program, Delta Continuing Education will then evaluate courses for transferability. Please note: only a maximum 25% of the ECE program would be transferable. If students, who have been accepted into the program, have taken more than 25% of courses elsewhere, students would submit official transcripts from both educational institutions to the ECE Registry for assessment.

Please note, education taken more than 5 years ago is not considered current, and therefore will not be granted transfer equivalency credit as Delta Continuing Education feels there would be a gap in knowledge on current practices in the ECE field.

## BASIC ECE PROGRAM OVERVIEW

The Delta Continuing Education ECE program is designed to provide students with the knowledge and skills necessary to work with young children and their families in licensed child care settings. Students take courses and practicum placements designed to integrate theoretical learning and practical experience in becoming an Early Childhood Educator. The regular course program is scheduled to be completed in 2 years part time; taking 2 courses per term. **Please be advised, practicums will be postponed until safe settings in which to complete them can be confirmed.**

## APPLICATION PROCEDURE

Acceptance to the Delta Continuing Education Basic ECE Certificate program is through the following process.

### Step 1 **Attend a free Information Session and write an English assessment test**

**PLEASE NOTE:** In order to comply with the directions of the Provincial Health Officer regarding physical distancing and to help flatten the curve of COVID 19, DCE ECE is suspending all upcoming information sessions.

**ALL** applicants must write the Canadian Adult Achievement Test to assess reading comprehension and writing levels. All English assessment testing will be done via email during the CoVid19 Health Crisis. A predetermined time will be booked with the Coordinator. The testing takes approximately 1.5 hours. Applicants must achieve a minimum of 70% on the comprehension component and a pass on the written component. Delta Continuing Education does not accept test results from other institutions. Applicants are notified of their test results via email.

**Please note** – If a student’s progress in the program is hindered by their English skills, the coordinator has the right to remove a student from the program

### Step 2 **Submit application documents** (Pages 10 - 22).

*Student documentation becomes property of Delta Continuing Education.* PLEASE Photocopy all of your documentation **BEFORE** submitting any documentation. Photocopying is the responsibility of the applicant **NOT** Delta Continuing Education.

#### **Mail the application by June 30<sup>th</sup> to:**

Delta Continuing Education  
4750 57<sup>th</sup> Street, Delta B.C, V4K 3C9  
Attention: Lisa Nicholson, ECE Coordinator

### Step 3

#### **Acceptance**

After your documentation has been reviewed and if accepted, you will receive an acceptance letter (via email).

#### **Please note:**

*Acceptance to Delta Continuing Education Basic ECE program is dependent upon satisfactory completion of all documentation including the pre-training medical exam and criminal record check.*
