- Over 3000 voices were heard through surveys, including Students, Staff, Parents to help develop the vision
- 10,000 data points were analyzed over the summer to help develop and build the vision in hopes of touching all those involved.
- The vision is meant to invoke conversations and discussions and the aim is to encourage PAC discussions and get more parents engaged in supporting the Vision.
- A 5 minute video was shared explaining more about what the District hopes to achieve over the next 10 years. Can be viewed on the Delta District website.
- Next Steps:
 - Many Opportunities to engage with the vision will take place over the next several months at the school, district, and community level.
 - Continue to see student voice to bring the vision to life
 - District Website promotion and Social Media campaign are underway.
 - Posters are being printed for all sites and classrooms.

3.0 District Update - Superintendent Sheppard and Assistant Superintendent Bauman :

- Report on the importance of community and supporting other districts during the pandemic and how it can transfer to other emergencies. (Floods)
- They have given principals a set of rule to follow and advice to follow PHO orders on events and gatherings related to:
 - School events
 - Community events

- There was a request for something similar to cover field trips, this is only done through principals. All trips are currently canceled due to the state of emergency caused by the floods.
- No update from Fraser Health on the roll out of the vaccine at the moment. But you can register your child.
- Doug wanted to remind us that last year during this week we had 20 exposures, and this year we have only had 4 in the month of November.
- IDoug reported there was no major damage to our schools due to flooding.
