SUPERINTENDENT'S REPORT - Doug Sheppard, Superintendent

- A Code of Conduct for cell phone policy is TBA by the government.
- For the Delta School District a cell phone policy notification letter will be sent out before the end of the school year. It will update general changes for cell phones to be in a bag during class instruction, stored in a basket or teacher permitted use for research needs.
- There will be permission granted for significant learning needs using phones and devices unique to each school.
- A policy reset is required as data shows anxiety and social fear is on the rise in students therefore a ban/limited cell phone requirements.
- A practice week of no devices was instructed at Burnsvew Secondary School and went well for all students.
- The Healthy School Program is to support families in the District. The BC government is supplying funding (1.7 million) for purchasing food and hiring staff to provide meals and snacks to students at breakfast and lunch.
- The Firefighter's Charitable Society and the Starfish programs have supported students with food resources.
