BCCPAC UPDATE- Lindsay Halliday

* She has provided a report that is available to those interested. She talked about the AGM and presentations that happened on the Friday and the meet and greet for the nominations.

* Saturday was the Voting and she found it very lengthy. And the voting seemed complicated since they had multiple people up for similar positions.
* She also talked about the resolutions that were discussed. She found the process productive that it was completed but took a lot of time.

* She will be providing a PDF of her report, and she encourages everyone to review and encourages more parents/caregivers to attend.

* Key not speaker was Hannah Beach.
